---

## 2011 RATES

The Lower Mahanoy Township Municipal Authority Board of Directors approved a budget for 2011 that does not include a rate increase at the present time. All other fees will remain the same for the upcoming year.

## PENNDOT BRIDGE REPLACEMENT

Due to the intended bridge replacement by Penndot on Route 147 at the north end of town, the Authority is required to move the water main that serves those customers north of the bridge. The water main replacement project has an estimated start date of March and an estimated completion date of June. Please note that some customers may experience a discoloration in their water due to construction.

## ELECTRONIC BILLINGS

The Lower Mahanoy Township Municipal Authority has the capability to send your quarterly billings to you electronically. Newsletters and hydrant flushing notices would also be included with the billing. We have implemented this for the first quarter billing of 2010 and we have some customers that have chosen this billing method. Anyone else interested in participating should send a request via email to [LMTMADAW@COMCAST.NET](mailto:LMTMADAW@COMCAST.NET). Please put "Billing Request" in the subject line of your email.

## WEBSITE

The Lower Mahanoy Township Municipal Authority has a website that our customers can access for newsletters, meeting dates, hydrant flushing dates, contact information and rules and regulations for the water and wastewater systems. The web address is [LMTMA.WEB.OFFICELIVE.COM](http://LMTMA.WEB.OFFICELIVE.COM).

## DAMAGE

Please contact the Authority Office immediately at 570-758-3615 if you discover that damage has occurred on either the water or wastewater system so that the proper repairs can be scheduled. The Authority would like to say thanks to those people who have taken the time to report damage and/or leaks. It is greatly appreciated.

*Customer Service is Our #1 Priority*  
*After hour contact – 274-0554*

### **VENTS & HYDRANTS**

It's that time of year when each of our customers should remove the snow when it is blocking sewer vents or fire hydrants. We thank you for your cooperation in this matter.

### **DROP BOX REMINDER**

For all new customers, the Authority would like to let you know that there is a drop box available at the office on River Road for your payments. However, for your security, the Authority asks that you please do not place cash in this drop box.
