## 2013 RATES

The Lower Mahanoy Township Municipal Authority Board of Directors approved a budget for 2013 that does not include a rate increase at the present time. All other fees will remain the same for the upcoming year.

## OUTDOOR FAUCETS

The Authority would like to remind everyone to check their outdoor faucets. Freezing temperatures can cause your outdoor faucet to freeze and break causing water loss. Other things that can happen if it is not caught would be cloudy water and reduced pressure along the system for our other customers. Please make sure all outdoor faucets have been winterized.

## WEBSITE

The Lower Mahanoy Township Municipal Authority has a website that our customers can access for newsletters, meeting dates, hydrant flushing dates, contact information and rules and regulations for the water and wastewater systems. The web address is [LMTMA.COM](http://LMTMA.COM).

## ELECTRONIC BILLINGS

The Lower Mahanoy Township Municipal Authority has the capability to send your quarterly billings to you electronically. Newsletters and hydrant flushing notices would also be included with the billing. Anyone interested in participating should visit our website and sign up in the customer service tab.

## DAMAGE

Please contact the Authority Office immediately at 570-758-3615 if you discover that damage has occurred on either the water or wastewater system so that the proper repairs can be scheduled. The Authority would like to say thanks to those people who have taken the time to report damage and/or leaks. It is greatly appreciated.

### **VENTS & HYDRANTS**

It's that time of year when each of our customers should remove the snow when it is blocking sewer vents or fire hydrants. We thank you for your cooperation in this matter.

### **DROP BOX REMINDER**

For all new customers, the Authority would like to let you know that there is a drop box available at the office on River Road for your payments. However, for your security, the Authority asks that you please do not place cash in this drop box.
