Telephone: 570-758- 3615 Fax: 570-758- 5465

Website: LMTMA.COM

2014 RATES

The Lower Mahanoy Township Municipal Authority Board of Directors approved a budget for 2014 that does include a \$5 monthly rate increase for our water customers. Metered customers will see a decrease in the gallons of water included in the base rate, from 4,000 to 1,000 gallons. Meter usage over 1,000 gallons per month will be billed at the rate of \$9.50 per 1,000 gallons used. All other fees will remain the same for the upcoming year. The Authority has not instituted a rate increase for their water customers since 2009. Due to increased operating costs and unexpected repairs, the Board felt it necessary to increase rates.

TOWN HALL MEETING FOR WATER CUSTOMERS

The Authority will be holding a town hall meeting for all water customers on February 13, 2014 at 7:00 pm at the Hickory Corners Fire Hall. The topic of possible water system improvements that was addressed in the last newsletter will be discussed. A representative from the engineering firm of HRG, Inc. will be available for any questions you may have. **We are encouraging all our water customers to attend and give input as the water rates will need to increase to help pay for this size of project.**

OUTDOOR FAUCETS

The Authority would like to remind everyone to check their outdoor faucets. Freezing temperatures can cause your outdoor faucet to freeze and break causing water loss. Other things that can happen if it is not caught would be cloudy water and reduced pressure along the system for our other customers. Please make sure all outdoor faucets have been winterized.

WEBSITE

The Lower Mahanoy Township Municipal Authority has a website that our customers can access for newsletters, meeting dates, hydrant flushing dates, contact information and rules and regulations for the water and wastewater systems. The web address is LMTMA.COM.

Customer Service is Our #1 Priority
After hour contact – 570-274-0554

ELECTRONIC BILLINGS

The Lower Mahanoy Township Municipal Authority has the capability to send your quarterly billings to you electronically. Newsletters and hydrant flushing notices would also be included with the billing. Anyone interested in participating should visit our website and sign up in the customer service tab.

DAMAGE

Please contact the Authority Office immediately at 570-758-3615 if you discover that damage has occurred on either the water or wastewater system so that the proper repairs can be scheduled. The Authority would like to say thanks to those people who have taken the time to report damage and/or leaks. It is greatly appreciated.

VENTS & HYDRANTS

It's that time of year when each of our customers should remove the snow when it is blocking sewer vents or fire hydrants. We thank you for your cooperation in this matter.

DROP BOX REMINDER

For all new customers, the Authority would like to let you know that there is a drop box available at the office on River Road for your payments. However, for your security, the Authority asks that you please do not place cash in this drop box.
