ELECTRONIC BILLINGS

The Lower Mahanoy Township Municipal Authority has the capability to send your quarterly billings to you electronically. Newsletters and hydrant flushing notices would also be included with the billing. Anyone interested in participating should send a request via email to LMTMADAW@COMCAST.NET. Please put "Billing Request" in the subject line of your email. Your first electronic billing would be for the first quarter of 2012.

DAMAGE

Please contact the Authority Office immediately at 570-758-3615 if you discover that damage has occurred on either the water or wastewater system so that the proper repairs can be scheduled. The Authority would like to say thanks to those people who have taken the time to report damage and/or leaks. It is greatly appreciated.

VENTS & HYDRANTS

It's that time of year when each of our customers should remove the snow when it is blocking sewer vents or fire hydrants. We thank you for your cooperation in this matter.

DROP BOX REMINDER

For all new customers, the Authority would like to let you know that there is a drop box available at the office on River Road for your payments. However, for your security, the Authority asks that you please do not place cash in this drop box.

CDBG SURVEYS

We are still looking for completed surveys from a few households to finish up. If you received one around the beginning of September and haven't returned it yet, please do so promptly. It is very important that we get 100% participation from our water customers.
